DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

1. The application has been amended as follows:

Claim 1, line 8, delete "ropes being" and insert --ropes are--.

Claim 1, line 18, delete "seat" and insert --sit--.

Claim 1, line 24, delete "connecting." and insert --connecting the ropes to the base disk.--

Claim 3, line 2, delete "a lot of".

Claim 6, delete lines 4 and 5, and insert --periphery thereof with a similar plurality of holes that respectively mirror said connecting holes provided on said periphery of said base disk such that the annular frame may be locked between the base disk and the fixing ring with a plurality of screws that connects both sets of holes.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

In view of the applicant's amendments and after further consideration of the invention, the claims as provided avoid the prior art of record. having an inflatable semi-sphere air cushion there within, and a fixing ring that is coupled to the base disk for locking the air cushion between the ring and the base disk wherein the base disk further includes two connecting portions, each disposed on diametrically opposite sides of the base disk, having insertion holes for detachably receiving engaging stubs of the pulling ropes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tam Nguyen whose telephone number is 703-305-0784. The examiner can normally be reached on M-F, 9-5.
